

## Final Project Worksheet & Guidelines

For your final project, you have been asked to **choose a piece of media** (music, movies, TV, anime/manga, books, etc.) and write a **review** in Japanese, using **vocabulary and grammar learned in class**.

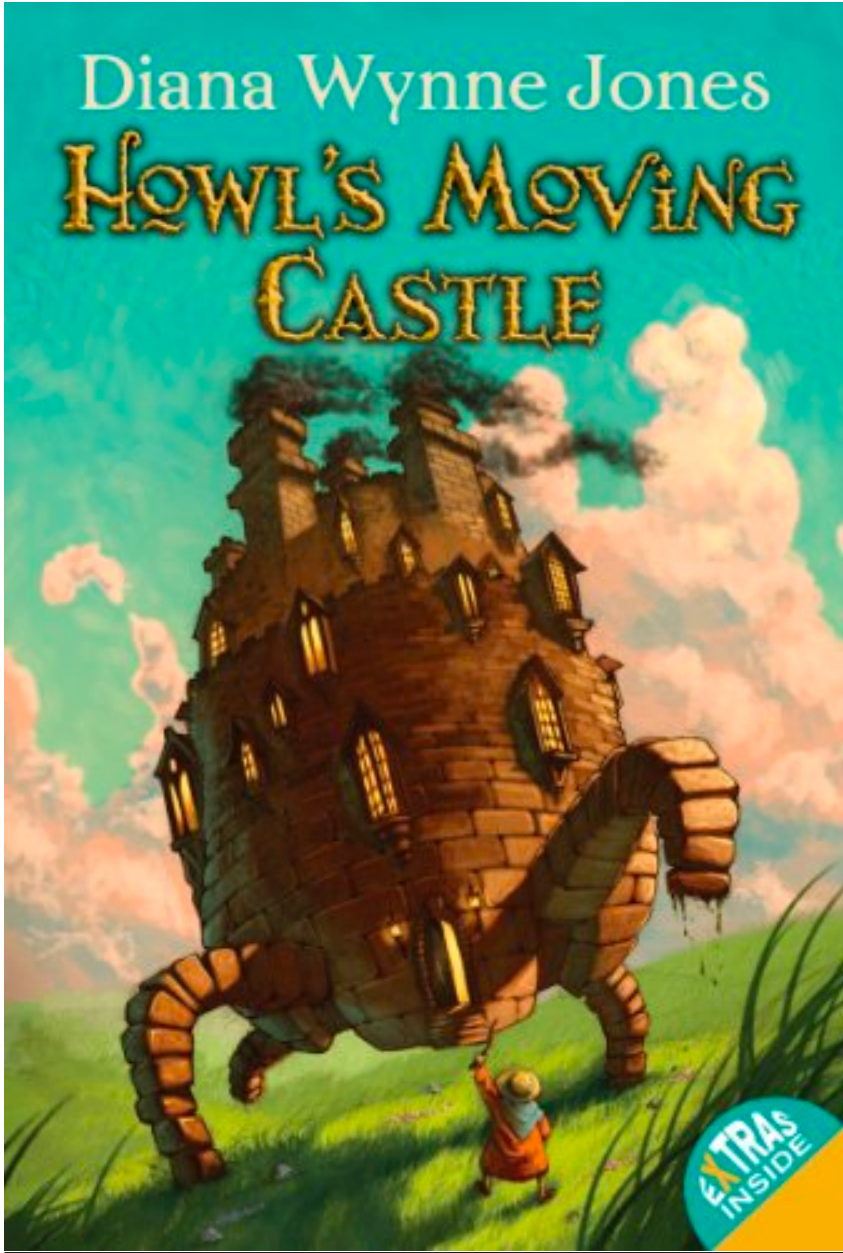

Your review should be **at least 5-6 sentences** and contain **at least one picture** that best shows your chosen **media**. Please try to imagine your review as if it were in a magazine or newspaper and arrange the picture and writing to show this. This can **be made by hand or digitally (using pictures found on the internet, etc.)**.

Your final assignment is **due by the last meeting of class**. You are **encouraged, but are not required to share** this final assignment in class. Regardless, please submit a copy of your guide (if done by hand, please take a picture or scan) by posting in the Classroom or sending it as an attachment in a private message to the teacher before the start of our final meeting of class.

In order to prepare your final assignment, **please use this worksheet** to help you think about your review. You can use whatever notes, a dictionary, etc. to help you write your sentences. If you do not know how to write in Japanese yet, you **may write in English if you wish first**, which you can then **change into Japanese (romaji/hiragana/kanji OK)** in the final version.

**1. Please give the name/title**, as well as **at least TWO** background details (who made it/who's in it, genre, etc.) **on your chosen media for review in Japanese (romaji/hiragana/kanji OK)**.

<p>taitoru タイトル (title):</p>	<p><u>Howl's Moving Castle</u></p> 
<p>shousai 詳細 (details):</p>	<p><u>Kono hon no sakka wa Diana Wynne Jones desu</u> (This book's author is Diana Wynne Jones.)</p> <p><u>Kono hon no janru wa esuefu desu.</u> (This book's genre is fantasy.)</p>

2. Please describe what the “story” is or what your chosen media is about in Japanese (romaji/hiragana/kanji OK).

Ro fujin ni kaeru bōshi mēkā ni tsuite no hanashi desu.  
(It is a story about a hat maker who gets changed/transformed into an old lady.)

Howl to iu mahoutsukai wo au bōshi mēkā ni tsuite no hanashi desu.  
(It is [also] a story about a hat maker who meets a wizard named Howl.)

3. Please write your thoughts/reactions and opinions on your chosen media in Japanese (romaji/hiragana/kanji OK). Please write at least TWO sentences, with at least ONE “reason.”

Tanoshii kara toujoujinbutsu no taidan ga omoshiroi to omoimasu.  
(Because it is fun/enjoyable, I think/feel the characters’ dialogue is interesting.)

Hon no Hanashi ga omoshiroi to omoimasu.  
(I think the book’s story is interesting.)

4. Please write a “suggestion” recommending your chosen media to the reader of your review in Japanese (romaji/hiragana/kanji OK).

Esuefu no fan nara, kono Howl’s Moving Castle wo susume shimasu.  
(If you are a fan of fantasy, I recommend Howl’s Moving Castle.)
